L'herbe rouge

l'herbe rouge

et fumante

*pour ceux qui veillent
silence*

*pour ceux qui s'endorment
infusion*

et alors

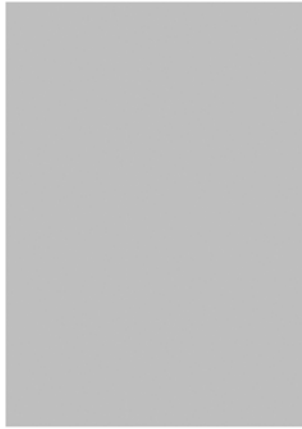

il faudrait savoir

*un microphone
en une
feuille
de chou*

la vraie vie

et alors

ça arrive, oui?!

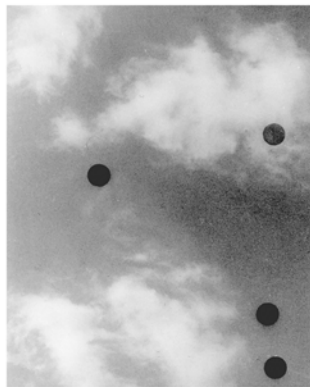

tu peux toujours rêver

ce noir est
somp tueux

c'est dans
les nuages

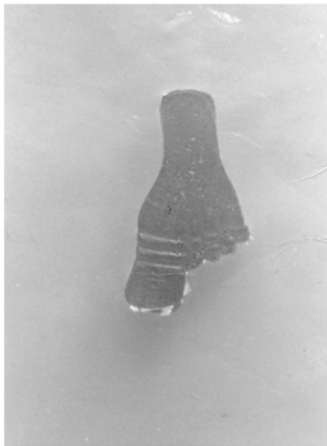

et ce gris

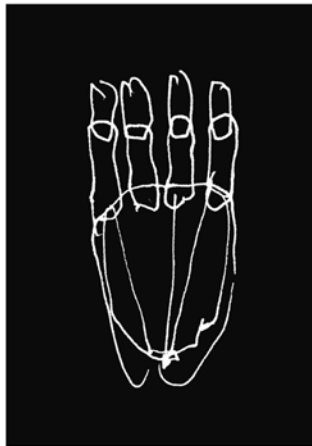

mais si vous pouvez rallumer
merci

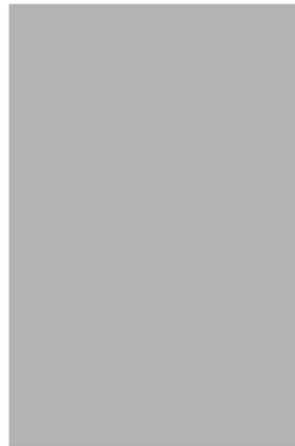

Des pieds tournés

des pieds tournés
tu tourneras

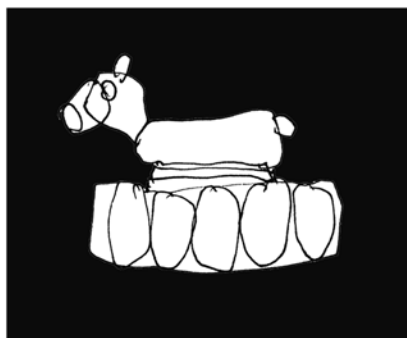

et d'innombrables
mains

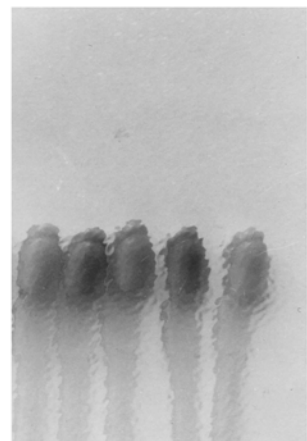

confondus

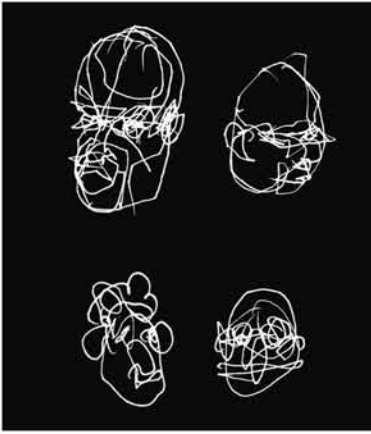

cette fois ta langue
pas moins

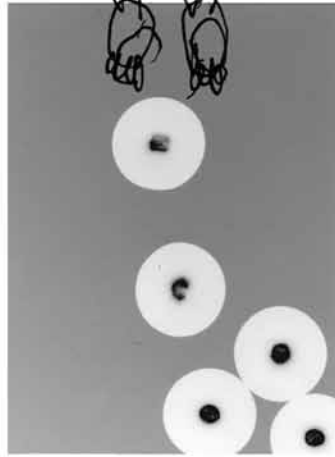

cette fois

c'est bon

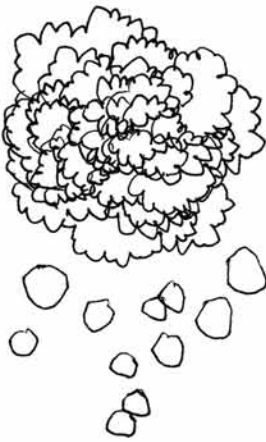

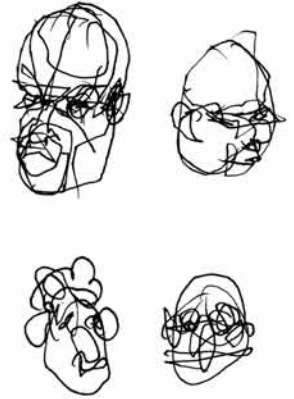

pardon?

oui

si toutes les choses
devenaient fumées

on connaîtrait
avec les narines

mais encore?
